# HIKE LEDYARD

A free hiking challenge sponsored by Ledyard Parks & Rec Dept and the Ledyard Conservation Commission

## What is Hike Ledyard?

Hike Ledyard is a challenge to hike 14 trails in Ledyard. It's free to register, and anyone can participate.

### How do I register?

Register online through the Ledyard Parks & Rec Dept website, [www.ledyardrec.org](http://www.ledyardrec.org)

### How do I track my progress?

Track your progress on your own. There's a Hike Ledyard Trail List available online. To mark a trail as complete, you can hike, visit, or pick up trash from any part of the trail. All abilities are welcome to participate.

*(Optional: You can also share your progress with others. Take a picture of yourself on the trail, and share it in the "Hike Ledyard" Facebook group or on social media with the hashtag #HikeLedyard.)*

### What's the prize?

Once you have completed all 14 trails, you've earned a free "Hike Ledyard" iron-on patch. You also get a free "Hike Ledyard" sticker just for registering. Pick up at the Ledyard Parks & Rec Office.

### Where can I find maps and parking directions?

Trail maps for all 14 hiking areas and the Hike Ledyard Trail List are available at <https://www.ledyardct.org/152/Trail-Maps>. Parking directions can be found on the Hike Ledyard Trail List.

## How it Works

### STEP 1.

Register for the Hike Ledyard Program

### STEP 2.

Hike or visit all 14 hiking areas on the "Hike Ledyard" Trail List.

### STEP 3.

Congratulations! You've earned a "Hike Ledyard" patch.

### For More Information

For trail maps, a trail info sheet, and a trail checklist, please visit:
